

INNOVATIONSKONTORET

Make more of your research INNOVATION DAY

December 11, KBE-301 Lilla Hörsalen

Doing research with potential to cure, prevent or make better? A day on how your research or idea could have more impact. A day on what do do, or what not to do, to make that happen. What support you can receive and tips, trix and how-tos from people with experience.

Innovation Day, December 11 Preliminary programme

08.45	Registration and coffee	12:45	Keynote speaker 2
09.00	Welcome and introduction		Innovation support system
09.15	Keynote speaker 1		Local non-pharma cases
	Local pharma cases	14.00	Round tabel discussions "Path forward to more innovation at the Medical Faculty".
	How-tos from experts		
11.45	Lunch		

Register: before December 6 to mats.falck@umu.se
Please inform us if you have any dietary restrictions
